Re: 2010/2011 Annual Sponsorship Opportunities

Dear Future ASHE Sponsor:

On behalf of the American Society of Highway Engineers (ASHE) Northeast Florida (NEFL) Section, I would like to invite you to participate in the 2010/2011 Sponsorship Program. The NEFL Section seeks sponsorships from local firms to help support the **NEFL Student Chapter, Community Outreach and Scholarship Programs**, in addition to keeping **monthly program costs at a minimum**.

In order for you to choose the package that best fits the needs of your firm, we offer a variety of choices. Benefits to being a sponsor include **video recognition at monthly programs: your company name on the home page of the Section's website along with a web-link: your company name in the quarterly newsletter, First Coast Interchange: membership fees: an advertisement in the ASHE National newsletter, the Scanner: and attendance at monthly programs** where you will have the opportunity to do some networking, just to name a few.

Enclosed, please find a complete sponsorship package for your review along with a list of companies who have previously participated in the sponsorship program.

I would like to take this opportunity to thank you for your time in reviewing this sponsorship package. I will be in touch in the near future to follow up and answer any questions you may have, or feel free to give me a call at the number indicated below.

Sincerely,

A handwritten signature in blue ink that reads "Russell Yaffee".

Russell Yaffee, PE, PTOE
Committee Chairman-Sponsorships

Peters and Yaffee, Inc.
1225 W. Beaver Street, Ste. 104
